BRANDON NAVOM

Plaintiff,

v.

**CITY OF BOSTON and MARTY
WALSH, in his official and individual
capacities,**

Defendants.

AFFIDAVIT

I, **BRANDON NAVOM** ____, of 680 State rd apt 3 North Adams MA 01247 ____ [Address] do hereby swear under oath that:

On February 12th or 13th I began feeling ill, as a precautionary measure decided to self isolate. In the next few days my condition got worse and I began exhibiting some, but not all, of the symptoms associated with the covid-19 virus. I was not able to get into have a test performed in till January 19th. The medical professionals informed me that there was a backlog in testing and it would take a few days to get results. I did not receive results for over a week, because of the Christmas holiday which I had to spend in quarantine. The day after Christmas I was informed that my test was invalid and I would have to retest. I returned for testing on the 27th, and was informed a few days later that I had tested positive for coronavirus (see Exhibit 1). Given that I had already been in quarantine for a good period of time at that point, the medical professionals told me to stay in quarantine through January 5th, and that I would be safe to interact with the general population on January 6th. I continued to follow those guidelines stayed in isolation until it was safe to return to normal activities.

Under penalty of perjury, I hereby declare and affirm that the above stated facts, to the best of my knowledge, are true and correct.

DATED this 25th day of January, 2021__

Respectfully submitted,
BRANDON W NAVOM,

/s/ Brandon W Navom
